Thank you for choosing Rainforest Clinic. We are very happy to serve as guardians of your treasured pet's health and well-being. If you have not done so already, please visit other pages of our website. Besides, valuable information and internet incentives, we hope to introduce you to our practice, experience and professionalism, so you know what you can expect when you get here.

Welcome to the practice!!

MISSION:
To provide compassionate, high-quality, affordable veterinary care for birds and exotic animals. We strive to use our knowledge, experience and clinical resources to provide exceptional health care, and to enhance the relationship between our clients and their treasured pets.

We're located West of Royal Palm Beach off of Okeechobee Blvd. on E Road. 3319 E. Road. We are "out in the country" on a dirt road. We love the space this area affords for our birds. Many visitors drive very slowly on the dirt road, however the road will seem smoother if you drive approximately 25 miles per hour.

Taking Okeechobee Blvd:

Continue West through Royal Palm Beach (going past The Red Barn Feedstore on your left and past "F" Road to E Road. Turn right on E Road (North) to a 3 way stop sign. Go left, then quick right (crossing over the canal at this juncture) At this point the canal will be on your right side. Continue driving North 0.3 miles. Rainforest Clinic is the Teal building on your left. Look for the green sign with a toucan.

Taking Southern Blvd (US80W):

Driving West from the Turnpike or I-95 on US 80 (SR 80W joins SR 441 at SR7). Continue West past SR7/SR441 S and then past Royal Palm Beach Blvd to Crestwood Blvd. (Burger King & Publix on your right). Turn right at Crestwood (North) to Okeechobee Blvd. Turn left (West) onto Okeechobee - from there, see above directions taking note of Red Barn Feedstore on your left.

We hope this map and directions will make it easy for you to find us, but please do not hesitate to call us if you need further assistance.
